Unchanging Love in a changing World | Eph. 6:24

*"Grace to all who love our Lord Jesus Christ
with an () love."*

1. Welcome

What have you loved or enjoyed for a long time? (food, hobby, person, etc.)
What grace from Grace Time stood out to you most this past week?

2. Sermon Summary

After His resurrection, Jesus asked Peter, who had denied Him three times, “Do you love me?” Before entrusting him with ministry, the Lord first confirmed Peter’s love. We begin with gratitude for salvation and joyfully worship and serve, yet over time our love can grow cold. Disobedience, pride, and complaining can cool our love for the Lord. How can we continue to love Him with an undying love?

1. Remember the Lord’s ()

(Psalm 103:2) “Praise the Lord, my soul, and forget not all his benefits.”

Although the Israelites experienced God’s salvation, they forgot His grace and complained whenever hardship came. We also need to remember the grace of the Lord when we first met Him, the times He helped us in difficulty, and the answers He gave to our prayers. Above all, let us not forget the grace of the cross, where He died for us. When we remember His grace, our love for the Lord is renewed.

2. Give () in All Circumstances

(1 Thessalonians 5:18) “Give thanks in all circumstances; for this is God’s will for you in Christ Jesus.”

When we focus on what we lack, we can forget the many blessings we have received. Thanksgiving helps us see God’s grace in daily life. Let us express our thanks through prayer, offerings, service, and care for others. Even in difficulty, trust God’s goodness and give thanks. As gratitude deepens, our love for the Lord deepens too.

3. () to the Grace You Have Received

(Mark 5:19) “Go home to your own people and tell them how much the Lord has done for you, and how he has had mercy on you.”

Jesus told the healed man to share with his family what God had done. We too should share the grace of salvation, answered prayer, and God’s help in hard times. Testimony strengthens those who hear it and reminds us of His grace.

4. () Daily

(Rev. 2:5) “Consider how far you have fallen! Repent and do the things you did at first.” Loving the Lord faithfully does not mean we never stumble. Peter denied the Lord, yet he returned to Him. When we fall into disobedience, pride, or complaining, we must not make excuses or delay but repent at once.

Even when circumstances change, let our love for the Lord remain unchanged.
Remember His grace, give thanks, share His work in your life, and return to Him daily.
May our families confess to the end, “Lord, I love You.”

3. Discussion

- 1) What part of today’s message, “Unchanging Love in a Changing World,” spoke to your Heart the most?
- 2) When have you experienced the Lord’s grace deeply and felt a desire to love Him more? Please share that experience.
- 3) What is one thing you need to hold on to in order to love the Lord faithfully in every situation? Share one specific commitment you will practice this week.

Prayer Together : Lord, help our families never forget Your grace, give thanks in all circumstances, return to You whenever we stumble, and love You faithfully until the end.
